

Wedding Photography Pricing

Our pricing is based off how long you need us for the day and for how far we need to travel.

As a starting point we charge \$1000 for 8 hours of coverage for weddings from as far North as Fond Du Lac, as far South as Kenosha, as far West as Watertown and as far East as the Lake.

This price includes:

- All of the edited pictures on a flash drive
- As many locations between the ceremony and reception as time allows.
- If you book your wedding with us for 6 or more hours our pricing includes a free engagement session with a flash drive of that session as well.

If you need us for more or less hours or your wedding is out of our travel area please contact us for revised pricing.

All photo sessions include a print release, there is no obligation to purchase additional pictures

*A half down non-refundable deposit is due at the time of booking and the remainder of the balance is due 2 weeks before the wedding day
